

SCS - PTO Registration

2011 - 2012

The Parent Teacher Organization (PTO) is a strong and supportive base of parent volunteers working together to carry out functions that enrich the ministry of Southwest Christian School. Our goal is to strengthen the relationship between parents and teachers and to unite efforts so that every student has the highest advantage to receive a physical, mental, social and spiritual education. Volunteers are the backbone of the spirit that we call the "SCS Family" and volunteers are the key forces behind the PTO.
