

Summer Reading AP Biology: Napoleon's Buttons and AP Biology 7th Edition

Napoleon's Buttons- Read the Introduction, and Chapters 1 ("Peppers, Nutmeg, & Cloves"), 3 ("Glucose"), 4 ("Cellulose"), and 14 ("Oleic Acid"). For each chapter, provide evidence for mastery of both the **major historical points** and the **major biochemical points**. You may provide summaries/responses, posters, portfolios, Powerpoints, etc. Email Mrs. Fry (jfry@southwestchristian.org) with any questions. Make sure you demonstrate a grasp of the big picture, with supporting smaller details.

AP Biology 7th Edition- You will be responsible for memorizing the Major Functional Groups in chapter 4 from *Biology, 7th edition* by the second week of school. Getting a head start will be very beneficial.
