

Summer Reading- Honors Advanced World Cultures: Three Cups of Tea

Carefully read this exciting book and expect to answer *specific* questions about your reading when our class starts. A couple of ways to prepare for this might be: (1) Make notes on the main characters. (2) Make an outline, or “diary,” of Greg Mortenson’s life as described in the book.

As you are reading, ask yourself if you agree with Greg Mortenson’s approach to fighting terrorism and building nations. Be prepared to explain why or why not.
